**DECLARATION OF EARLINE
WILDER**

I, EARLINE WILDER, declare the following under penalty of perjury pursuant to 28 U.S.C. §
1746:

1. My name is Earline Wilder. I am 41-year-old a Black woman. I live in Canton Estates in Canton, Mississippi.
2. The Madison County Sheriff's Department regularly sets up roadblocks at the entrance the Canton Estates. Because the roadblocks are at the entrance, residents can't enter or exit the community without passing through the roadblock.

3. They set up the roadblocks in the mornings and in the evenings when people are leaving for and coming home from work. Sometimes the roadblocks are set up multiple times in a week.

4. I believe they set up roadblocks in Canton Estates because the residents are Black.

5. I have been stopped at the roadblocks twice. I the MCSD officers had no reason to stop me. I was only stopped because I was driving into Canton Estates. Everyone I saw enter before and after me was stopped as well.

6. The MCSD officers also have a jump out patrol that drives recklessly around my community and puts our children in danger. I have witnessed them speeding on the grass around our homes where children are out playing.

7. As a result, I have to keep my children and grandchildren inside when the MCSD is in my neighborhood because I fear they will be hurt.

I declare under penalty of perjury that the statements above are true and correct.

**DECLARATION OF MICHELLE
WILLIAMS**

I, Michelle Williams, declare the following under penalty of perjury pursuant to 28 U.S.C. §
1746:

1. My name is Michelle Williams. I am 31 years old. I am a Black woman. I live
in Fort Pierce, Florida.

2. In April 2015, I was living in Oxford, Mississippi. I was a full-time law student at
University of Mississippi School of Law. I was finishing my third year. I was also seven
months pregnant.

3. My husband and I own a piece of land in Port Gibson, Mississippi. In order to get
from Oxford to Port Gibson, we had to drive through Madison County.

4. Late at night on April 12, 2015, we were driving home to Oxford from Port Gibson. I was driving, my husband was in the front seat, and my 11-month-old daughter was in the back seat.

5. We were driving a brand new car, so we did not yet have a tag on the car. But we had all of the necessary information with us.

6. We pulled off of I-55 in Madison County to get gas and some food. As soon as we pulled back onto the highway, a MCSD car started to follow us. As soon as we left the lit area around the exit, the MCSD officer turned on his lights signaling me to pull over. It was very dark and we were the only car on the road.

7. I was already scared of the Madison County Sheriff's Department. Several months earlier there had been a presentation at my law school which included information on the vast levels of racism in the city of Madison and the Madison County Sheriff's Department. I was warned to be very careful when driving through Madison County and was wary of the MCSD.

8. This was also at a time when almost every night on the news I would see that Black people, particularly Black men, were being killed during seemingly routine interactions with police officers. Just the night before, I remember seeing on the news that a man was killed during a traffic stop.

9. I was scared for my safety. I was even more scared for my husband and my child.

10. I immediately slowed down and put on my hazard lights to indicate to the officer that I saw him. I called dispatch to ask them to get in touch with the officer and tell him I was afraid to pull over on a dark, empty road, but that I would pull over at the next lighted area. Dispatch agreed.

11. When dispatch came back on the phone with me, however, he told me that the officer had told him the next lighted area was in Memphis, Tennessee.

12. I had driven this road many times before and I knew this was not true.

13. The officer sped up beside and was shining a flashlight in my car. This made us even more afraid.

14. I asked my husband if he would feel comfortable if I pulled over and he was terrified as well. He said no.

15. I then gave dispatch all of my information: my name, social security number, my driver's license number, my address. He told me I would receive a ticket in the mail.

16. I was relieved by this result and agreed to look out for, and promptly respond to, the ticket. The officer pulled away and we continued back to Oxford.

17. Two days later the Oxford Police department showed up to arrest me for the incident in Madison County. I was extremely embarrassed because my husband was in the Oxford Police Academy at that time. But I was also completely confused – I had been told I would be receiving a ticket in the mail, I couldn't understand how this had transformed into my arrest.

18. The Oxford Police brought me to their jail to hold me until the MCSD arrived to take me to Madison County. Oxford Police called three times to the MCSD telling them to come pick me up, but they did not show up. During the last phone call they said they told the MCSD they were going to let me go home if the MCSD didn't arrive shortly.

19. The MCSD finally showed up very late at night. All told, I waited almost five or six hours for them in Oxford.

20. They drove me to the Madison County Detention Center. The judge made it extremely difficult for me to get bail. Even though I had no criminal history, a husband at home with an infant missing work, and was seven months pregnant, I spent three nights in jail.

21. When I went before the judge, I was charged with resisting arrest, despite there being no attempt at an arrest. I was also charged with failure to stop, speeding, and not having a tag.

22. I plead guilty to speeding. I showed proof of tag, and that charge was dismissed.

23. I did not plead guilty to resisting arrest or failure to stop. I tried to explain to the judge that I wanted to stop, but too afraid to stop on an empty dark road.

24. The judge, who was white, told me my concern was unwarranted. She told me she knew the officer and "he's a big teddy bear." She found me guilty.

25. This is the same officer who followed me until it was dark, lied about how far it was until the next lighted area, drove around my car in menacing way, shined a flashlight in my face, and misled me to believe I would receive a ticket in the mail just to turn around and have me arrested. I do not believe this man is a teddy bear.

26. I did not have any money to appeal.

27. In May 2015, I graduated from law school. After graduation, I applied to take the Mississippi Bar.

28. In order to take the bar, I first had to sit for a character and fitness exam. During the interview with the Character and Fitness Committee, I was asked questions about what happened on that night in April 2015 with the MCSD. I answered their questions honestly. I told them I was trying to comply and I was afraid.

29. Ultimately, the committee decided I was not allowed to sit for the bar exam. They told me I had showed a lack of respect for law enforcement.

30. I had thirty days to appeal to a court, but I couldn't afford it.

31. This one incident with the MCSD essentially ruined my life. I have wanted to be a lawyer since I was nine years old. Despite having no money, I worked hard to get into law school, and even harder to graduate. My family was so supportive and excited for me that I was following my dreams.

32. Yet, I was denied a chance to take the bar. I fell into a state of depression. I felt like I wasn't doing my part to support my husband and my children. I had gotten so far, and I let my family down.

33. We ultimately moved to Florida, where my mom lived, just a few months ago. My hope was I could take the Florida bar, having been denied my opportunity in Mississippi. My mom was going to take care of my children while I studied. Sadly, just a month ago, my mom passed away.

34. I don't know what I am going to do or where we are going to live now. We still have property in Mississippi, but travelling back to Mississippi, or visiting my law school, means I may have to drive through Madison County again. I am afraid of what may happen to me.

I declare under penalty of perjury that the statements above are true and correct.

CAUSE NO. MSO00011950

WAIVER OF RIGHTS AND ENTRY OF GUILTY PLEA

I, the undersigned defendant, desire to plead guilty to the charge(s) of DUI

I understand that by pleading guilty to these charges I will be found guilty and sentenced by the Court. The sentence may include a fine, restitution, court costs and/or imprisonment in jail.

I further understand that by entering this plea I am giving up certain rights.

I am giving up the right to a trial, to confront and cross-examine witnesses against me and to call and/or subpoena witnesses against me.

I am giving up the right to have a lawyer; I understand that if I cannot afford a lawyer, one may be appointed to represent me.

I am giving up the right to have the State prove the charges against me beyond a reasonable doubt.

I am giving up the right to a jury trial.

I further understand that if I am convicted of another crime, my guilty plea in this case could cause me to get a more severe penalty for that later crime.

I am giving up my right to object to the form and/or content of any testimony and evidence the State may introduce against me at a trial.

I understand that, if there was a trial, I would be allowed to testify, but I would not have to. If I didn't testify it could not be used against me.

I hereby certify under oath that there have been no threats or promises made to me in order to get me to enter this plea.

I further certify under oath that I have read and understand all the of the above and that I desire to waive my rights and enter a plea of guilty.

SWORN to and subscribed before me this, the 13th day of Sept 2012

JUSTICE COURT JUDGE/CLERK

The Court finds that the defendant knowingly and intelligently and not under duress, waived his rights and entered a plea of guilty.

CAUSE NO. MS000011950

WAIVER OF RIGHTS AND ENTRY OF GUILTY PLEA

I, the undersigned defendant, desire to plead guilty to the charge(s) of DUI

I understand that by pleading guilty to these charges I will be found guilty and sentenced by the Court. The sentence may include a fine, restitution, court costs and/or imprisonment in jail.

I further understand that by entering this plea I am giving up certain rights.

I am giving up the right to a trial, to confront and cross-examine witnesses against me and to call and/or subpoena witnesses against me.

I am giving up the right to have a lawyer; I understand that if I cannot afford a lawyer, one may be appointed to represent me.

I am giving up the right to have the State prove the charges against me beyond a reasonable doubt.

I am giving up the right to a jury trial.

I further understand that if I am convicted of another crime, my guilty plea in this case could cause me to get a more severe penalty for that later crime.

I am giving up my right to object to the form and/or content of any testimony and evidence the State may introduce against me at a trial.

I understand that, if there was a trial, I would be allowed to testify, but I would not have to. If I didn't testify it could not be used against me.

I hereby certify under oath that there have been no threats or promises made to me in order to get me to enter this plea.

I further certify under oath that I have read and understand all the of the above and that I desire to waive my rights and enter a plea of guilty.
